

BELIZE LODGING

Crystal Paradise

Crystal Paradise is a short drive from the nearest town, and is surrounded by broadleaf forest and Mayan ruins. This is a beautiful resort where it's common to have breakfast surrounded by toucans and blue crowned mot mot.

Room type	Students per room	Running water	Hot water	Toilet type	Electricity
Cabin	4-6	✓	✓	flush	✓

Cockscomb Research Station

Cockscomb Research Station is in the middle of Belize's national jaguar sanctuary, accessed via a 6-mile dirt road. Cockscomb provides a quiet, rustic environment that makes it easy for participants to focus on wildlife observation and learning.
